## ALL THESE THINGS I USED TO HAVE

LTI-015

**Giacomo Mazzucato** is the name behind the 20-year-old Venice-based producer **YAKAMOTO KOTZUGA**. His first releases, two EP plus a bunch of singles dropped last year, confirmed the lad as one of the most talented young producer of his generation.

Now, he's going to release a new single, **ALL THESE THINGS I USED TO HAVE**. The track is a portrait of past and its painful resignation, shaped on those low intensity 2step rhythms, blended with braids of guitars, delay and silky smooth R&B vocals. A sentimental breviary enriched by two remixes, both from young italian producers, **Machweo** and **Furtheriset**.

**ALL THESE THINGS I USED TO HAVE** is due out on digital release next 5th of June via **La Tempesta International**.
